Dear Parents/Caregivers,

2018 has been a great year for the Music Department at Serpentine Jarrahdale Grammar School. Our Spotlight on Students concert was very successful, and the Spring Arts Festival filled the Wellstrand Centre with amazing music all day long.

As we approach the end of this year, it is time to review the music tuition program and time for you to let us know if you wish for your child to continue with their instrumental lessons in 2019.

I would like to make this ongoing (for 2019 and beyond) until you inform the school in writing that you now longer wish to continue with lessons. This can only be done at the end of a term.

Should you wish for your child to continue with their lessons next year or swap to a different instrument, please fill in the attached sheet and return to me by the end of Term 4, 2018 (**Friday 7 December**).

2019 is going to be a bigger, better year and I look forward to hearing all the wonderful music that is going to be performed.

Yours sincerely

Kimberley Barlow
Music Coordinator

MUSIC TUITION

Court Grammar School offers students a range of opportunities in the music tuition program. We encourage all students to become involved in some aspect of this program as learning a musical instrument is fun and a wonderful learning experience.

Our program caters for students of all abilities, from beginner to advanced. Students require no experience with an instrument and tuition is open to all students.

Court Grammar School is blessed to have talented and dedicated instrumental tutors who are held in very high regard in their field. Their knowledge and expertise will encourage each student to develop their instrumental and musicianship skills as they progress through the program.

Our specialist music tutors offer private one – on – one lessons in a range of musical instruments and disciplines:

Guitar

Piano

Brass

Voice

Percussion

Strings – Violin and Cello

Individual lessons are 30 minutes in duration at a cost of \$30.00. The cost of lessons for a 10-week term is 9 lessons @ \$30 = \$270. The extra week is used for catch-up lessons if needed.

These lessons are rotated on a weekly basis to ensure that lessons are not detrimental to other curricula areas.

We also have an active ensemble group for guitar, vocal and strings. Students will be selected by their tutors to join this ensemble. These groups will perform at assemblies and other school functions.

We provide regular performance opportunities that help students develop skills and confidence.

Please contact the school reception should you require further information
