

FROM THE HEAD OF SECONDARY

Dear Parents and Guardians,

RE: Orientation Morning 2019

We are inviting all 2019 Year 7 students for an orientation morning on:

Monday 4 February 2019.

The program will begin at 9:00 am and conclude at 12:00 pm.

Students, under the guidance of their Year 11 Peer Support Leaders will be provided with a short history of the school, taken on a school tour, meet teachers, visit their classrooms and learn about our each other and the School's Respect Ethos.

As many of the activities the Peer Support Leaders will be running will involve students being active, students should attend in their sports uniform and bring with them notebooks pens and morning tea. Students are requested to bring their iPads so we can configure them to the School's network.

Regards
